Reason for contact:

Mr. Strobel submitted a Recreational Use of Your Stream survey, received 8/1/08, but neglected to include the name of the stream or the exact location of use. I attempted to call him three times before, once on 8/26 and two times on 8/27, but he did not answer and there was no answering machine. Note: "RU" on the survey means Route U.

Comments:

Mr. Strobel stated there is a swimming hole in the Tributary to Strobel Creek at the Wayside Road crossing that his family used to use regularly during the summer for swimming, wading and playing.
